1. Read and confirmed proceedings of the last meeting held on the 14th February 1908.

2. Read and passed details of receipts and expenditure for the month of October 1907 as audited by the Comptroller.

3. Read Revenue and General Secretary's docket No. 7346-55—Md. 67-07-5, dated 29th January 1908, calling for the copy of the resolution of the District Board whether it is considered desirable to declare vaccination compulsory and if so in what places and for what period.

The Board think that the good effects of vaccination are getting known more and more widely and that it is best to leave well alone. Making it compulsory might only serve to rouse the distrust of the public and retard the progress that vaccination is making now.

4. Read—

(*a*) Revenue and General Secretary's Official Memorandum No. 6939—L. B. 249-07-2, dated 21st January 1908, forwarding a petition from the inhabitants of Bukkapatna in the Sira Taluk, praying for the construction of tunnels across the Bukkapatna and Huildoray hullas in the Sira-Bukkapatna road for the disposal of the Board.

(*b*) Maddagiri Sub-Division Officer's No. 1124, dated 30th March 1908, stating that the construction of tunnels referred to in the Secretary's Official Memorandum is necessary for the free passage of traffic and that the work which will cost more than Rs. 2,000 may be recommended to be carried out at the cost of the Public Works Department as resolved by the Taluk Board.

Resolved that the resources of the Board do not permit of their undertaking these tunnels now. There are many large streams in the Province still unbridged. Tunnels must come in the order of their importance.

9. Read Revenue and General Secretary's docket No. 10387—Med. 143-07-5, dated 18th April 1908, requesting to place the matter of opening a properly equipped dispensary at Amrutur instead of appointing a native pandit there and to submit a copy of the resolution of the Board as to whether they agree to bear the entire cost of the Local Fund Dispensary if one is opened at Amrutur.

The Board are not agreeable to the Senior Surgeon's proposal and would be satisfied with a Vaidyasala and a pandit. The Board cannot afford the cost of a Dispensary and a Hospital Assistant and establishment.
